### **SWING INTO SPRING!**

Add a touch of romantic elegance to your garden with this classic Dartmouth swinging seat from Rowlinson Garden Products.

Perfect for creating a shady retreat to relax and unwind, the Dartmouth swinging seat features pretty lattice side panels and an attractive, slatted roof with a gentle wing. Plus, its natural timber finish leaves you free to treat the arbour with a paint, stain or varnish that complements your overall garden design.

The Dartmouth swinging seat comes flat packed with all the necessary fixtures and fittings, making it quick and easy to assemble. Additional rust-resistant base fittings are also supplied for extra stability.

And as long as the arbour is secured to a solid base, it can be positioned anywhere in your garden – in a secluded corner of your lawn or as a focal point on a timber deck. Recommended retail price for the Dartmouth swinging seat is £374.99.
