TASTE OF THE ORIENT

The Orient remains a popular influence on garden design so why not create a Japanese-inspired centrepiece with this stunning Oriental Pagoda from Rowlinson Garden Products.

Featuring a beautifully ornate three-tiered roof, the Oriental Pagoda is generously wide, making it an ideal space for relaxing and entertaining, with plenty of room for outdoor dining. What's more, its six open sides give you great views of your garden!

Thanks to its unusual design and impressive height of over 3 metres, the Oriental Pagoda makes a powerful focal point in any garden. Plus, its natural timber finish gives you the freedom to paint, stain or varnish it however you like!

The Oriental Pagoda is supplied flat packed with full fitting instructions and retails at £1564.99.
