### **RUSTIC CHARM**

New to the Rowlinson Garden Products collection is the attractive, rustic-style Willow gazebo.

Ideal for country cottage gardens, the Willow gazebo combines beautifully textured, weaved panels with intricate, lattice panes for a pretty, natural look.

Featuring a full rear panel for a touch of privacy, the gazebo has five other sides, each with a delicate arch opening onto your garden. And at two metres wide, the Willow gazebo is perfect for creating a cosy hideaway, even in smaller gardens!

Easy to assemble, the Willow is supplied flat packed with full fitting instructions. Recommended retail price is £314.99.
